1981

Nichols became the Monsignor Martin Associations tenth football playing school. They joined the AA division giving the league a balance of five teams in each division. Unlike last season, crossover games would not count as divisional games. Thus each School would only have four games count toward the championship. Timon regained the AA division title, while DeSales captured the A division with a 9-0 record. Along the way, the Knights ended O'Hara's winning streak at 17 while extending their own unbeaten streak to 14 in a row.

St. Francis QB George Kline set a league record when he completed 18 x 32 passes for 437 yards and 5 td's against Nichols. The 437 yards are the second highest total in Western New York history. Ironically, it was in a losing cause as the Red Raiders were defeated by the Big Green, 36-33.
