1996

Scheduling has become a bigger problem than in past years. Section VI has scheduled only four games against Monsignor Martin teams. This forced the AA division to play each AA school twice in a home and home schedule. It also meant each AA team (Large Schools) had to play three A Division (Small Schools) teams. This resulted in many lopsided scores. In twelve inter-league contests, the AA schools won ten, outscoring their smaller opponents 363 to 124, with scores like: 82-0, 49-0, 21-0, 27-8, 29-9 and 49-14 to mention just a few. In a scheduling quirk, these results counted as divisional games for the AA league, but not for the A league.

After 46 consecutive losses and winless in their last 47 games, Niagara Catholic broke into the win column in week four by defeating Olean Walsh in convincing fashion, 27-0. St. Josephs captured the AA division while Turner-Carroll won the A crown. The Turner-Carroll passing combination of Dave Zelasko (1714 yards passing) to Anderson Winston (1094 yards receiving) set new league records.
