2000

A lack of players forced O'Hara to drop football for the 2000 season. This made the A division a four team league the same as the AA. This year it was the A division that produced Tri Champions. St. Mary's, Nichols and Turner-Carroll shared the title. St. Francis by winning the AA division went from last in 1999 to first in 2000. In what the National Football League likes to call "parity", only one school emerged with a winning record. St. Mary's went 5-4 while the other seven teams played .500 ball or below. In another oddity, when St. Josephs beat Timon / St. Jude 6-3, all the scoring was done via field goals. Charlie Comerford from Timon / St. Jude established a league mark for receptions in a season (53), receptions in a career (112) and yards receiving in a career (1545).
