2001

With O'Hara fielding a team and Olean Walsh re-joining the Association, the A league became a six team division. Once again, there was a tie for the AA title. St. Francis and Timon / St. Jude emerged as AA co-champions, while St. Mary's claimed the A crown. Despite playing a monster schedule against powerhouses from Pennsylvania and Ohio, the St. Francis passing combination of Mike Radon to Davis Ferris and Kyle Smith re-wrote the league record book. Mike Radon set Western New York records for passes completed in one season (163), passes completed in a career (337), yards passing in one season (2408) and touchdown passes in a career (52). League records were set for passes attempted in one season (240), passes attempted in a career (600) touchdown passes in one season (22) and yards passing in a career (4719). Kyle Smith established league marks for receptions in a season (56), receptions in a career (124-also a WNY record), and yards receiving in a career (1724). David Ferris meanwhile set a league record for touchdown passes caught in a season (12) and tied a thirty-one year old mark with twenty-one career touchdown receptions.
